

January 18, 2020 Free Spirit Chapter Meeting notes

Patricia opened the meeting thanking everyone who contributed to the TV Raffle, Laurel who coordinated the distribution of tickets and purchased the TV. Tina purchased the tickets. A total of \$1297.00 was raised and our own Marry McCabe was the winner.

Julie was able to pull everything off of the Yahoo group site before everything was taken down by Yahoo. She has started going through it, putting some of the files on the Members only portion of our public web site. We all appreciate everything Reben did to add this to the public web site, however it appears to be limited in it's functionality. Julie found a site called Down to Meet and has created a group for us. In the weekly notes more details will be put out and everyone is encouraged to check it out. It seems to be very user friendly. It's currently free but at some point there might be a monthly charge per group, which would be very minimal.

West Virginia trip is scheduled for June 19th to June 24th. Julie said there is still room for 3 or 4 people, contact Julie if you are interested in going.

Sunrise / Sunset will be July 31st to August 2nd, Patricia will be arranging this.

LBD, this will probably be that last one, August 14th to August 18th, back at Boyne this year.

Laurel is putting together the Rat Poker destinations.

February meeting, let's start ride planning. This will help those who need to schedule time off work. We can continue to add rides as needed, but bring the rides you are interested in to the February meeting.

Winter Celebration (formally known as the FSC Christmas Party) will now take place in January. December is very busy for everyone, moving the party till January will give more members the chance to attend and let's face it, there isn't much going on in January anyway 😊
